**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who supports broadband competition. My Comcast bills were ~\$120/month & Sonic is not ~\$80 for the same service. Which would you prefer to pay? Internet is an inherent cost to my business and the \$500/ year i am saving is money I can spend in my community, supporting my community.

In summary, please do not repeal the rule granting competing phone and internet companies wholesale access to their copper-wire phone infrastructure.

Thank you,
